

## Career & Technical Education

### Film & TV Production (Live News)

#### DESCRIPTION:

The Film and TV Production program prepares students to produce digital films and videos (including news broadcasts, commercials and public service announcements, feature films and documentaries, episodic serials, music videos, educational videos, and others) and to work in a variety of on- and off-camera positions within traditional and emerging video production industries.

#### SITES:

**Live News:** Arcadia / Desert Mountain / Saguaro

**Filmmaking:** Arcadia / Desert Mountain / Chaparral
