Dear SUSD Families,

We hope you and your family members remain well.

Our work to continue essential District operations, including online instruction for students, is ongoing. District leaders including the Incident Command Team, principals and key administrators met today – as they will continue to do during this emergency – to ensure SUSD is addressing the many concerns of our large educational organization.

Here is a summary of today's major developments:

- ***All SUSD sports activities are suspended through at least March 27***

In support of the updated Centers for Disease Control and Arizona Department of Health Services [guidance to postpone large events and mass gatherings](#), SUSD has suspended all sports-related activities, including games, matches and practices.

- All SUSD school nurses will be available on site at each school in case parents wish to pick up student medications. Parents should go to the front office of their child's school from 1 to 3 p.m. on Tuesday, March 17 and from 8 to 10 a.m. on Wednesday, March 18.

- Due to the social distancing recommendations of public health experts, no live audience will be permitted at the March 17 regular meeting of the SUSD Governing Board. The meeting will be broadcast live on the [District's YouTube channel](#). You may access the agenda and a link to YouTube channel at www.susd.org/Board. The meeting begins at 5 p.m.
