

SEL Universal Screener Fall 2021

It's no secret that the academic, social, and emotional needs of many of our students have greatly increased this past year. SUSD will be using the FastBridge SAEBRS (Social, Academic, and Emotional Behavior Risk Screener) Universal Screener tool to better understand the strengths and needs of our students. The data will be used to refine instructional strategies to best support all students in specific grades, buildings, and across our entire district.

For more information about this screener, visit:
