4. **Read Better to Be Better Tax Credit Approval**

This year Tonalea MS and Yavapai have partnered with Read Better to Be Better Group. This is a student mentorship program between middle school and elementary across the valley with a focus on increasing literacy.

Starting 4th quarter, we are looking to bring 15 Tonalea students over by activity bus afterschool to work with 15 Yavapai 2nd-4th graders one on one.

The program will run Mondays and Tuesdays from 3:30pm-5:00pm. Both Tonalea and Yavapai will need a teacher to help the RBBB Program Staff at both schools.

We are looking to fund this Yavapai teacher via general tax credit \$1,000.00 for fourth quarter.
