ELA CHANG

Students will continue to work on their Annabel Lee poems. We went over imagery and symbolism last week, and will add on with poetic structure and form. Students will annotate their poems for points, then start on another called Second Estrangement. Students in 7th period will start their work on their novel study with Tangerine.

SAYLES

Core - We are finishing The Outsiders. Students will be taking an open book final exam. Students should have mastery of how theme, foreshadowing, symbolism, and inferences relate to our novel study.

Honors - We continue to study Brown Girl Dreaming. Students will be receiving a quote analysis project. Students are expected to analyze and synthesize their quote and make meaningful connections to our literature study. The final product must be typed. This will count as an assessment grade. Due Date is: November 16th.

3D - We have started a new unit of study: Climate Change and issues of Drought. Students brainstormed ways we can preserve water and we will start learning new words like precipitation and renewable.

Ask to see your student’s agenda book or AVID binder. How are they doing with their organization?

ROBSON

We will continue our classroom routine with Small group work in System 44: Famous or Infamous and Read 180: Welcome to Dystopia. Homework will have 5 quizzes due for the week. If you are behind, or want to improve your grade, please do extra reading. We will also need one passed lesson and 40 iReady minutes this week.

GENERAL INFO:

- Conferences this Wednesday - Friday. Wednesday and Friday from 1-3pm; Thursday from 1-6pm. Please click the website to sign up. Conferences will be virtual and with the whole team, unless a teacher teaches multiple grade levels. www.susd.org/tonalea
- Trunk or Treat this Thursday from 6-8pm. Visit our website to view all of the details. www.susd.org/tonalea
- Spirit Week this week:
  - Monday - PJ Day; Tuesday - Sports Day; Wednesday - Neon Day; Thursday - Twin Day; Friday - Red Out
**SCIENCE**

**COLE**
This week in science we will continue learning about the Rock Cycle and connect it to how the land changes on Earth!

**SOCIAL STUDIES**

**THIELE**
This week we began learning about the Industrial Revolution around the world. We started with vocabulary to build understanding for upcoming learning. Students made predictions, visualized and this week will continue working with the new words through interpretation and production activities. We will also work on our collaborative skills during small group work. We will begin the causes of the Industrial Revolution midweek. If your student misses any school, please remember to check the Google Classroom for any missed work.

**SLAMOWITZ**
In Social Studies Honors this week we are continuing our work in the Rise of Industrialization. We will have weekly homework in learning about people during this time. Students are going to read some pages in their reader and come prepared to answer a check for understanding questions on Friday of what they read. Students are excited to create their game boards as well. I am doing conferences individually as I teach multiple grade levels. Please sign up for a spot below https://www.signupgenius.com/go/9040e4ea4a62aa3f85-conferences1.

**MATH**

**MUSZYNSKI**
We will complete our unit on integers and rational numbers this week and begin work with ratios and proportions. Students will be working a lot with fractions, which often causes a great deal of frustration. For homework, students should be working to complete 50 minutes in iReady and pass 4 lessons by this Friday, October 29.

**WILLIAMS**
We are finishing up Lesson 7: Describe Angle Relationships in Triangles. Please see the “Dear Family” letter on page 137 of the math book/packet for an explanation of what we are learning. Our Comprehension Check (Lesson 7 Quiz) is scheduled for Wednesday. We will then start reviewing for our Unit 2 Assessment, covering information from Lessons 4, 5, 6, and 7. Homework is assigned every day unless we take a test, and students are expected to complete iReady MyPath lessons weekly.

**MOBLEY**
In math we will begin Addition with Negative Integers. Also, we are required to pass one lesson on I-Ready math each week. Be sure students are checking their grades regularly.
**ELECTIVES**

**CHANG - rts**
Students will work on dividing words into syllables and using textual evidence. They will be split into smaller groups to work on specific skills.

**BYRO - rts**
This week in Read to Success, we will start our week off with new vocabulary. We will be breaking into small groups and our skill focus this week is text features and test structure. We will be looking at non-fiction text and identifying text structures that support the article. Remind your student about their iReady minutes and lessons and they must be reading 15-20 min a day.

**SLAMOWITZ - math intervention**
Welcome to the MTS. This week we are working on reducing fractions and making factors. Please remember to make sure that you have 2 lessons completed with at least 70% and have more than 40 minutes for the week. I am doing conferences individually as I teach multiple grade levels. Please sign up for a spot below https://www.signupgenius.com/go/9040e4ea4a62aa3f85-conferences1.

**COACH BECERRA & COACH BRYANT - pe**
In physical education we started quarter 2 with our soccer unit. We have worked on the fundamental skills of soccer while learning the rules and applying them to games during class. We will finish up our soccer unit this week. Please be mindful that the weather is cooling off and we are outside a lot now, so have students dress accordingly. thanks!

**MILLER - art**
In Art students are continuing to explore Value, the lightness and darkness of colors. We have practiced creating different values, and will begin brainstorming our final value project this week! You can also schedule a virtual parent teacher conference with me on October 27, 28, or 29 at this link: https://www.signupgenius.com/go/10C0D48A5AD23A2FAC70-miller. Please email me at sallymiller2@susd.org if you have any questions.

**CHANGO - spanish & stem**
**STEM** - This week in STEM, students will start learning the Engineering Design Process, so we will be focused on the definitions on each step of the process.

**Spanish Exploratory** - Students will start learning new vocabulary which will help them to describe what materials they have in school and classroom. They will also have their first assessment of the second quarter during this week. So make sure your child studies at home.
**ELECTIVES, CTD.**

**LUCERO - student council & college and career readiness**

**College and Career Enhancement** - Welcome back to 2nd quarter! We are excited to be focusing more on careers this quarter. Students will be working on creating a resume, learning about the interview process, exploring different benefits of certain jobs and more.

**Student Council** - Welcome back to 2nd quarter! We continue to run our student store on campus, along with supporting our 1st grade reading buddies and the recycling program. Our Tonalea spirit wear should arrive this week and we will be getting them out to students, staff and families ASAP. The Student Council will be selling snacks at our upcoming movie night on November 4th!
