

March 30, 2020

Hello, Scottsdale Unified Parents and Guardians!

Today, March 30, 2020, [Governor Doug Ducey announced](#) that schools in Arizona will remain closed for the remainder of the 2019-2020 school year.

In conjunction with this announcement, we would like to confirm that all school-sponsored extracurricular activities are also cancelled. All field trips for the remainder of the 2019-2020 school year are cancelled.

In addition, the [Arizona Interscholastic Association](#) has cancelled the spring season and championships at all levels. We will continue with our online learning through the remainder of this school year according to the [2019-2020 school year calendar](#) that can be viewed at www.susd.org/Calendar.

We know that this news brings with it many questions about the logistics of carrying out this direction. We are working on a Frequently Asked Questions document to address those concerns, and when that is available, we will post it to the District's page where we are sharing all updates in response to this situation: www.susd.org/COVID19.

Thank you for your commitment to working hand-in-hand with our schools as we work together to help students navigate these next 8 weeks.
