
AZ On Track Jumpstart Program for Kindergarten, 1st, and 2nd Grade

What is the Jumpstart Program?

The Summer Jumpstart program is designed to offer our younger students an opportunity to be better prepared for kindergarten, first and second grade. They will be involved in both academic and social activities that are appropriate to their age group. Learning and fun will be combined to make this productive and exciting.

Who can attend the program?

The program is open to students who will be entering kindergarten, first, or second grade in August of 2022 in the Scottsdale Unified School District.

Where will the program be held?

Hohokam Elementary School and Anasazi Elementary School will be the two sites that will house the program. **There are currently no openings available at Anasazi Elementary for Kindergarten - Second Grade.**

What types of activities will the children be involved in?

The students will participate in early literacy and math skills. There will also be time for socialization and physical activity.

What are the dates and times?

Jumpstart dates are:

July 11th - July 26th

Jumpstart hours are:

8:30 AM - 11:30 AM.

Will transportation be available?

Transportation will be available for students residing within the district's boundaries.

Will there be a snack?

Students will receive a snack each day.

How can I register for the program?
