Glossary

Buzz is the primary platform for courses in the Enhanced Distance Learning (EDL) and Scottsdale Online Learning (SOL) models. Buzz is where students find classes and complete coursework. It is also where students communicate with their teachers.

Enhanced Distance Learning (EDL) is the model for families and students electing to participate in distance learning currently, with an eventual transition into in-person learning.

Florida Virtual (FLVS) is an accredited, online learning curriculum for students in grades K-12, currently used by Scottsdale Online Learning. FLVS is used in Scottsdale Online Learning and is also available to teachers in the Enhanced Distance Learning Model.

Genius is the hub for Enhanced Distance Learning and Scottsdale Online Learning. This is where students go to access Buzz.

Google Classroom is a learning platform used by teachers in conjunction with Buzz. Like Buzz, Google Classroom allows students to access materials, complete assignments, and communicate with teachers.

Scottsdale Online Learning (SOL) is the Scottsdale Unified School District's established online school. Scottsdale Online Learning has been running successfully in grades 9-12 for ten years. The SOL program has a school principal and guidance counselor for support.

Single Sign On is where students and parents go to access Genius.

Teams is a video conferencing program used by SUSD teachers to enhance instruction and provide communication for students and parents.

Zoom is also a video conferencing program used by SUSD teachers to enhance instruction and provide communication for students and parents.
